PRESIDENT'S MESSAGE

By Jennifer Fisher

Together with my friends and colleagues from the Pocatello Art Center (PAC), I wish you a summer filled with balance, movement, rhythm, contrast, texture, value, color, form and harmony. I am privileged to be your President. I am grateful to my predecessor, Marlene Keller, for her leadership and contributions to the PAC during her presidency, and the members of the Executive Committee and Board of Directors. Their combined commitment to the PAC is inspiring. Program growth has been propelled collectively by these individuals and all past presidents, board members, and volunteers. I look forward to continuing our more than 40 years of "providing affordable art education in a creative environment that fosters art appreciation and provides cultural enrichment for the people of eastern Idaho."

The vote to increase our Board from twelve to fifteen members passed and we now have three new positions available. If you are interested in serving on the Art Center Board of Directors or would like to nominate someone, please call me or the Center during the month of July. Board members are elected to three year terms. The Pocatello Art Center is operated by a group of dedicated volunteers who give of their time and talent to keep the Center running. Much of the work is completed by elected Board Members, Committee Chairs and their respective committee members. New Board Members will be invited to serve on the PAC Committees that include Education, Finance, Technology, Publicity, Sagebrush Festival, Desk, Hospitality, Legacy, Gallery, and Development. I think an especially fun group is our Gallery Committee responsible for hanging our paintings and photographs and placing sculptures in our display cabinets providing the PAC and the community with changing exhibits where members can display their art. Wherever your interest or talent lies, there is a place for you at the Pocatello Art Center where you will find the joy of creation through service to the art community.

In closing, I would direct your attention to our website that is created and maintained by our dedicated Board Member and past-president, Barbara Santos. It not only lists classes and workshops but information about the Legacy Project that features several artists from our community. Dues can also be paid via the website now and she has added information about sister art organizations. Also, check us out on the PAC Facebook page. If you have suggestions or recommendations about the Pocatello Art Center, I look forward to hearing from you.

Don't forget our upcoming art garage sale on August 13th from 8:30 am to 2:00 pm. Start collecting your art and craft items that you would like to donate to the Art Center for the sale. All proceeds will go towards the Art Center. If you don't have items to donate, a \$ donation will be welcomed. Also, do you have a few hours to donate to help our committee that day? If so call the Art Center at 232-0970.

Best regards,
Jennifer Fisher, President

GALLERY NEWS

by Pat Geiger

First Friday Art Walk takes place July 1st, 2016

Please have all June artwork picked up by June 22, 2016 and all new work should be here no later than June 24th. We will hang the new show at 1pm on Tuesday, June 28th.

Our show for July is Vacation Vistas. This is another great show for fine art and photographs as well. We invite all of our artists to share their wonderful work with our members and community! This is also a great subject matter and we are excited to see your exhibits. As always, our themes are just suggestions so be sure to drop off any of your favorite works.

The June show is always a little sparse after the two big shows in April and May but the work is still exceptional. We hope you have had a chance to see these wonderful landscapes and share in the serenity and beauty of these wonderful works of art! A big thank you to the people that go to the effort and regularly share their work. Please think about bringing in your work for any of our shows. The gallery is here for you and a great venue to get your work out of the garage or basement!

August will be Paintings from Photographs. This is a great show and many of us do paint from photos. Do something new or get one of your older ones out and bring them to share. This is a really fun show and it is great to see the artists interpretation of their photo. You will need to bring your painting and a 4"x6" photo. Absolutely no photo over the size of 5"x7" can be accepted. This show also will host the Porcelain Artists of SE Idaho show. The Gallery will be full of their beautiful work.

Our center case is still full of the wonderful pottery of Giovanni Defendis. His work will display until the end of July so please come out and see this beautiful and functional work.

Please remember to check out our wonderful jewelry handmade by some of our fine artisans and our porcelain painted by our very own PASI group. What gorgeous displays they have!

In order to keep our spirits up for our art through the summer, we are getting together once a week (calling it the sketching club) to sketch or paint or chat (about art, of course) separately or singly. We've met a few times at Ross Park, at McKee's Pet Store, and at the cemetery near the chapel.

We'd like to invite anyone and everyone to join us if they'd like. We would add you to our list of those who are interested so we can notify them weekly of our destination that week, weather permitting. It would also help to have an idea of the number planning to come. There are no rules about your attendance. Come whenever you want, paint or sketch or whatever you want, stay as long as you want. It's fun. There's no charge. No need to join IWS. Email or call Neila or Onita for more information and to get on our list.

So that's our news for July and it will include August, hopefully.

Dear Art Center Friends,

It would be our joy and pleasure to have you come and help us celebrate
Jerry Younkin-Griffin's 85th birthday
with a "Birthday Brunch" on **July 6th, from 9:30am to 12:00noon**, at her home,
4005 Donrich, Pocatello, ID.

Please RSVP to **208-234-0473** by **July 1st** so that we will know how many of her friends will be attending.

Hope you can be there to share this special day.

The Pocatello Art Center is having a big art garage sale on Saturday, August 13th from 8:30 am to 2:00/3:00 pm. It will be held behind the Art Center in our parking lot. It will run parallel with the Farmer's Market.

We are also looking for volunteers to help be on site Saturday morning to help set up and or sell during the sale. Any help will be appreciated. Call Joann Hamm at 251-3504 or the Art Center 232-0970 to put your name on our list.

PUBLIC RELATIONS

A friendly reminder to start going through your cupboards, drawers and garage for those unused art supplies which we will donate and sell at the art supply yard sale on Saturday, August 13th from 9:30 to 3 pm. Mark prices on all items, but don't bring them to the Art Center until the day before, Friday August 12th, as we have no space to store them until then. The sale will be outside, in back of the Center, weather permitting, and we will be participating in the farmer's market that day. We will also be holding 6 raffles for some great donated art. Put this on your calendar to come in and pick up any supplies, frames, wood plaques, porcelain blanks, paper, paints, brushes, craft supplies, etc. that you may need.

LEGACY Project

by Barbara North, Chair

Hopefully you saw the KIDK Channel 3 and 8 news coverage on Wednesday, June 15, at the 10:00 News. Dennis Valera learned of our project and wanted to tell more people about it. Peggy Anderson and Barb North talked with him. This video will be available for viewing on the KIDK website. Dennis is looking forward to seeing our next show at the reception. We are in the process of determining when that will be. The committee will be meeting before the end of the month.

The *Legacy* cabinet has finally arrived, after a long waiting period and reordering event. We hope to bring the supplies in soon. Barbara Santos has the two DVDs loaded onto our website. Please check them out at PocatelloArtCtr.org!

At each of the 4 stations, you can pick the top card off the deck nearby, after you have taken your picture (s). You may choose any station to draw (2) cards from. When finished with all 4 stations, you should have 5 cards in your hand. This is your POKER HAND! The stations do not need to be completed in order. just visit each of the 4 stations.
